The recipe can be simple... Consider each of the following:

- ◆ Dethatch/power rake in the spring
- ◆ Aerate in the fall
- ◆ Sign up for the premier **four-step nutrient management plan**
- ◆ Power edge the walks and driveway
- ◆ Consider **Japanese Beetle application**
- ◆ Weed management control

Masseys offer a **Four-Step, Slow-Release Fertilizer Program** that is *one of the best* on the market.
