then (1986) &

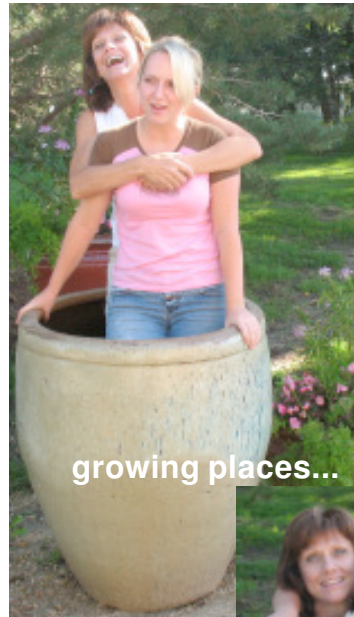

now... (2009)

Mom and daughters women-owned businesses

Passionate about Pots and Patios

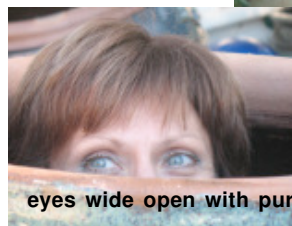

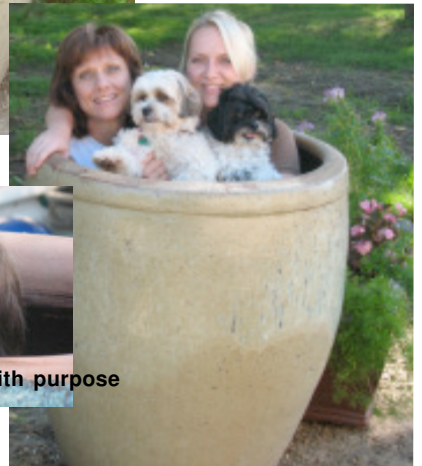

growing places...

invest in a woman effect ripples throughout her community and beyond

have fun...

eyes wide open with purpose

feel life within...

see reverse side

cross promote
centered in goodness
we passionately believe in
helping each other achieve
goals & dreams

garden art

color, texture, unique, creative design

Art is...
whatever medium you choose to
express yourself. CREATE!

back yard peeps

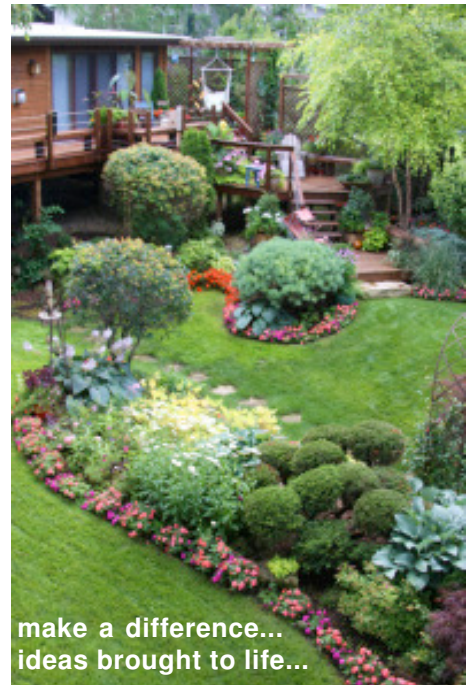

march to your own beat...
off-roading in the sunflower jeep...
we choose sunshine...

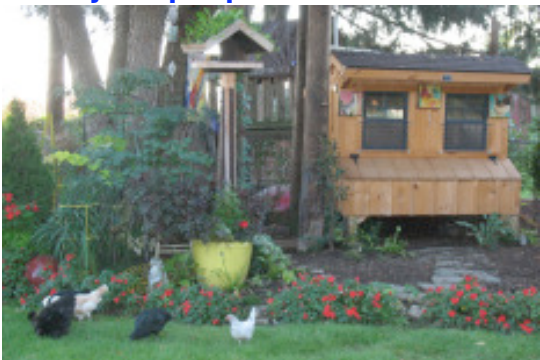

We turn not older with years,
but new every day.
